Dear Friends,

On June 30th, 2019 FOCUS will be holding the 2nd annual “**FOCUS Rocks Bridge Street**” benefit concert featuring many wonderful local musicians. This year’s act will include Mixed Signals, The 70’s Project, and Michael Cleary. All proceeds from the concert will go to supporting FOCUS Programs.

FOCUS Center for Autism, Inc. in Canton, Connecticut is in its 19th year as a community based non-profit program specializing in the treatment of children and young adults with autism spectrum disorder. Now in its third year, The Fresh Start School is a private, state approved special education program offering children a quality educational experience that addresses their academic, social learning, and clinical needs.

YOUR SUPPORT IS NEEDED for FOCUS Center for Autism to continue providing the care and services the autism community deserves! Please consider sponsoring “**FOCUS Rocks Bridge Street**” and help make our second concert a success!

In gratitude,

Donna Swanson
