OUR INSPIRATION:

The Fore Autism Charity Golf Tournament was inspired by our Fresh Start School student Jack Tanner and his father, Jerry. Jack and Jerry are passionate about golfing and the Fresh Start School and were instrumental in making this tournament happen!

Jerry shares, “Jack enrolled in The Fresh Start School in January of 2018. Prior to that, he was in a public school, struggling both academically and socially. He was refusing to go to school every day. Since he joined Fresh Start School, he has been learning and, more importantly, making friends.”

We are grateful to Jerry and Jack for their vision and perseverance. We couldn't have Fore Autism without them!

Husband and wife Fred Evans and Donna Swanson co-founded FOCUS Center for Autism in 2000 after recognizing a need to provide services to people with autism. Since its founding, FOCUS Center for Autism has grown from a small program to include three residential programs, Adult Support Services, The FOCUS Autism Spectrum Unplugged Panel, and CT state-approved special education program Fresh Start School. Thank you to all of our supporters that help make our dreams of providing a continuum of care to the autism community a reality!

Thank You!

Thank you for participating in our Fore Autism Charity Golf Tournament to benefit FOCUS Center for Autism and Fresh Start School. We hope you had a great time!

Since 2000, FOCUS provides direct services to children and adults with autism. Your support helps us continue to offer quality educational, residential, and support services to this special population.

We greatly appreciate your participation in our tournament and hope you will continue to be part of our FOCUS community! See you next year!
